PETITION TO DELIVER LETTERS PATENT

The assignee, ZiLOG, Inc., a corporation organized under the laws of the State of Delaware, hereby petitions the U. S. Patent and Trademark Office, pursuant to 37 CFR 1.182, to deliver the bound Letters Patent in the above-identified application, issued as U.S. Patent No. 7,296,170 on November 13, 2007.

Statement of Facts

The above-identified application issued as U.S. Patent No. 7,296,170 on November 13, 2007. Assignee states, as of June 23, 2008, that it has no indication in physical or electronic files that it ever received the appropriate bound Letters Patent for U.S. Patent No. 7,296,170.

Points to be Reviewed

Assignee believes that the U.S. Patent and Trademark Office mistakenly failed to deliver the original bound Letters Patent for U.S. Patent No. 7,296,170. For this reason, Assignee also believes it should not be held responsible for the fee associated with this petition to have the Letters Patent delivered.
